EDUCATION

Bachelor of Social Science
China Studies in History

Hong Kong Baptist University

📅 2019-2021

Associate Degree of Art

Hong Kong Community College

📅 2017-2019

Career Objective

A 2021 graduate with a history degree in Hong Kong. After graduation, I find my real passion for frontend development and throw all my energies into pursuing related knowledge. Proficient in using popular frontend tech stacks. Hoping to join a tech company where I can put my skills to good use.

Core Skill

- HTML, CSS, JavaScript
- **React.js, Redux, Next.js**
- **TypeScript**
- **Vue.js (Vue3)**
- SASS
- Git
- REST APIs
- GraphQL
- Node.js
- Express.js
- MongoDB/Mongoose

Portfolio

- **A Responsive Bookstore Website DEMO** made with React and Firebase Realtime Database

Live Demo: <https://jackiecheunq.github.io/Bookstore/>

Source Code: <https://github.com/jackiecheunq/Bookstore>

- **A Full Stack e-commerce Website Project** made with **MERN (MongoDB, Express.js, React, Node.js) stack**

Live Demo: <https://milk-tea-8ddb5.web.app/home>

Source Code: <https://github.com/jackiecheunq/Milk-Tea-Store>

- A Personal Portfolio Website made with **Next.js and Strapi**
